

THOMAS SUAGA SILASIL LIBRARY INC

We built a library named “Thomas Suaga Silasil Library Inc”. This is our family initiative to give back to the five villages that surround us. The library gives students the opportunity to enhance their learning and improve their grades, while the community can read to find new ways to better their living and become better citizens in our villages, the opportunity to improve on their reading, knowledge and give them the chance to achieve their dreams.

PRODUCT AND SERVICES

We believe in preserving our culture and teaching others about our culture, thereby keeping it alive. We would like you to share also with us who you are, and your culture allowing knowledge sharing between each other in terms of skills and experiences and opening the minds especially for our children and also community.

Demonstration on how to make:-

- Our famous Karkar Island bilums
- Phrong (local pudding – made up of galip oil and banana or taro) if in season.
